

The floor plan shows a house with a carport on the left side, which is large enough to accommodate a car. The main living area is on the right, featuring a large living room with a fireplace, a dining area with a table and chairs, and a kitchen with a sink, stove, and refrigerator. There are two bedrooms, one of which is a master bedroom with a walk-in closet. The plan also includes a bathroom, a central hallway, and a front porch.

This floor plan shows a building layout with a parking lot on the left containing two cars. The main entrance is at the top center, leading to a reception area with a desk and two chairs. To the right of the reception is a waiting area with a long bench and several chairs. The plan includes a central staircase, a laboratory with a sink and equipment, and several examination rooms with tables and chairs. A small kitchen area is located near the top right. The building has a dashed line on the right side, possibly indicating a boundary or a wall.
